# Australian Infrastructure Audit 2019

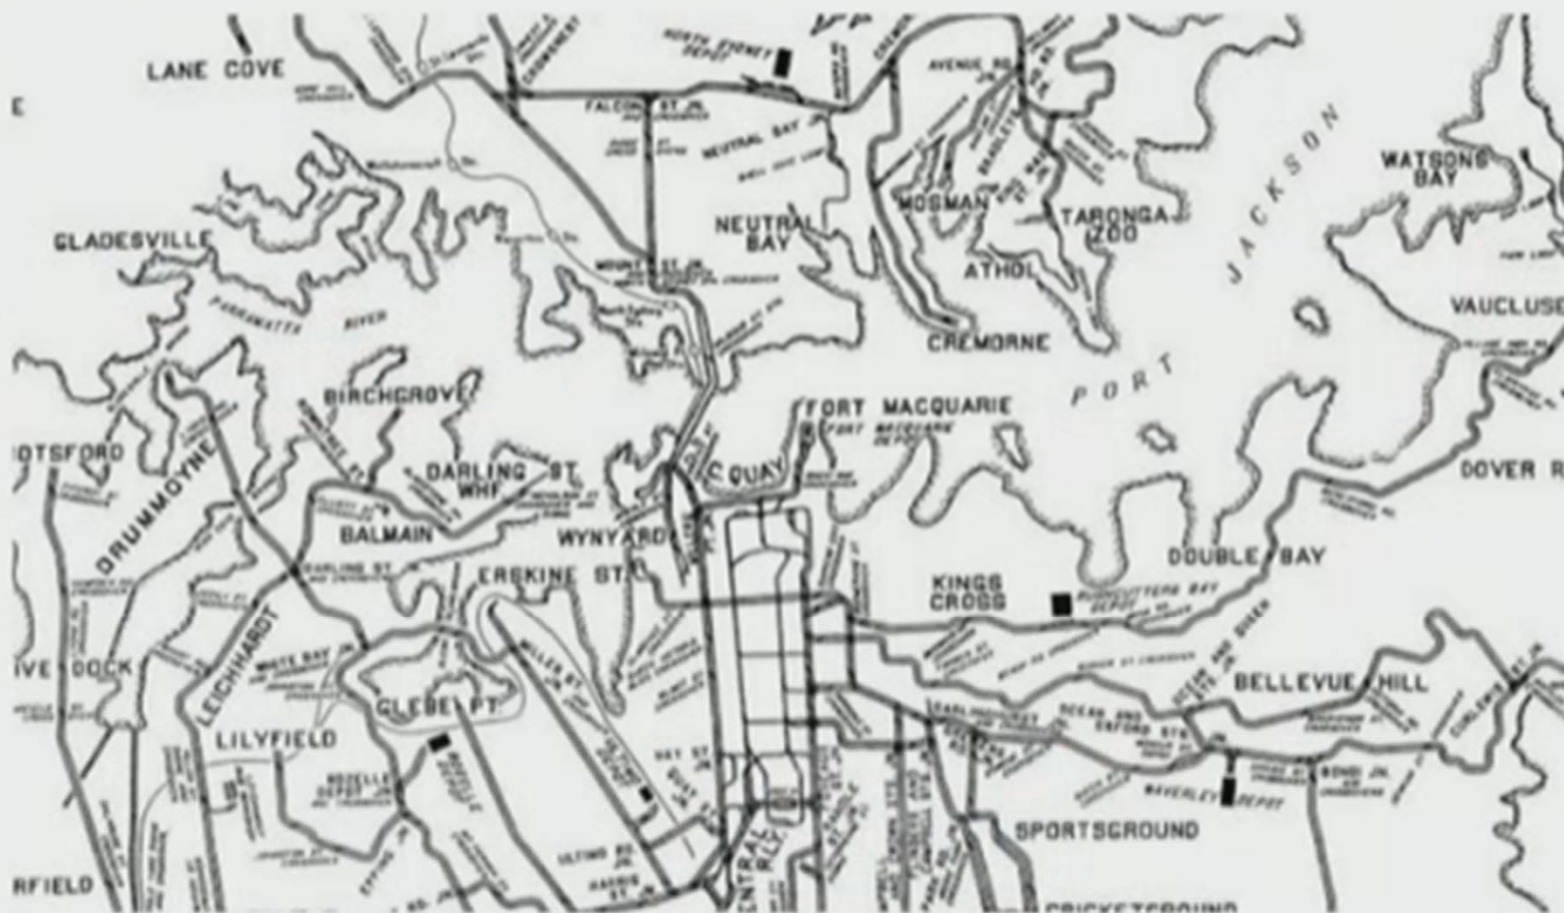

Peter Colacino

Executive Director – Policy and  
Research

November 2019

## Sydney Tramways, 1950

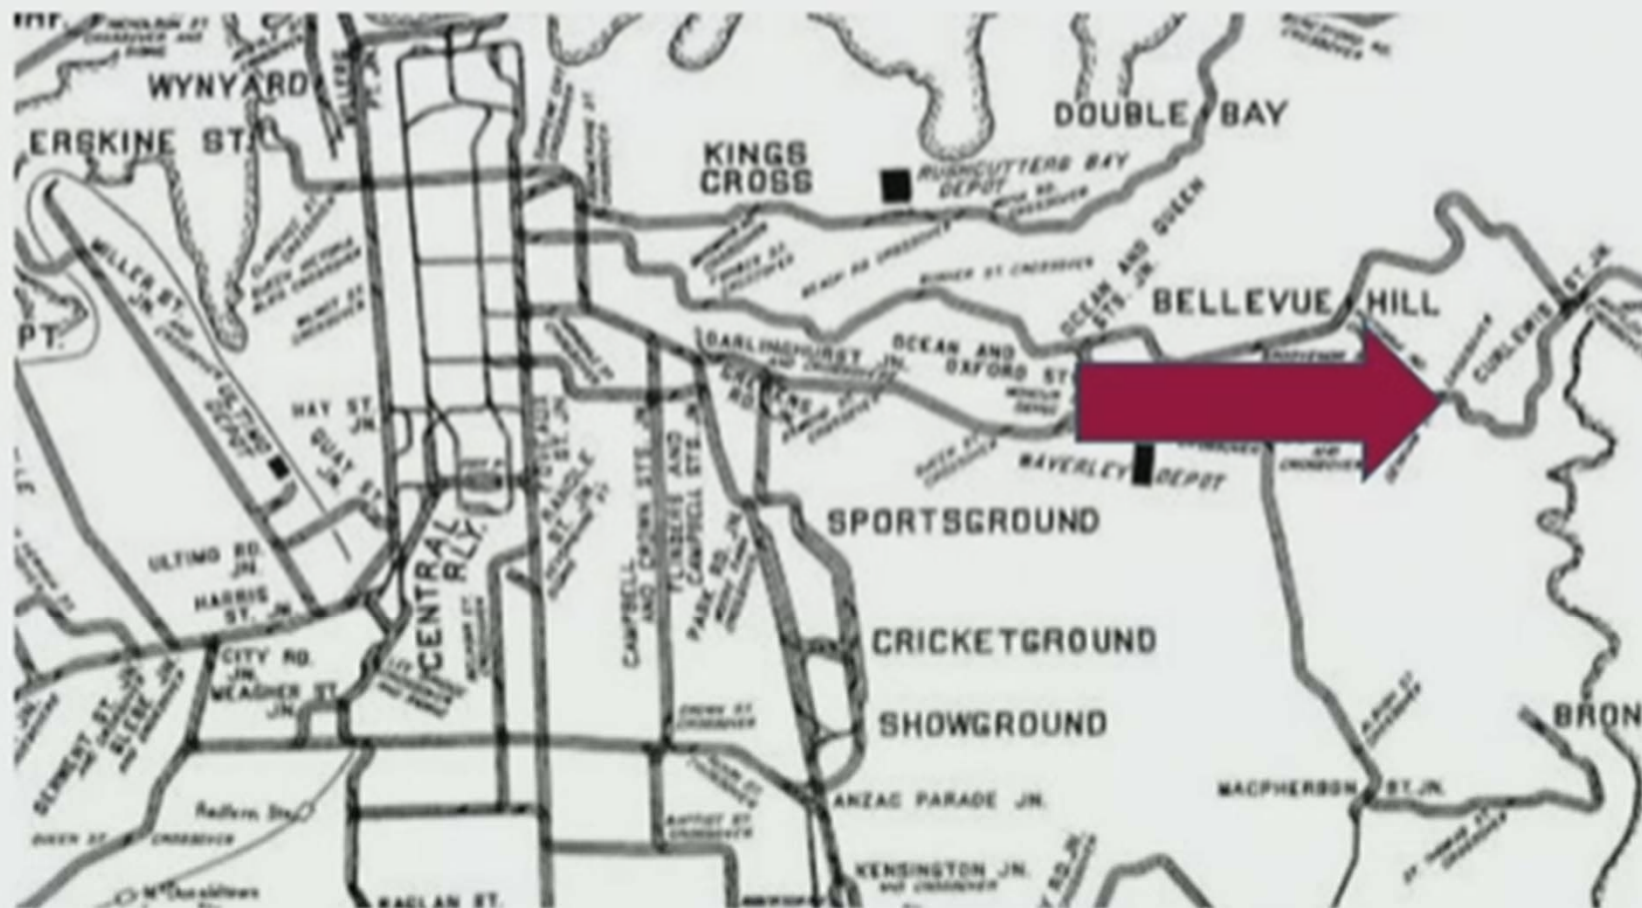

## Sydney Tramways, 1950

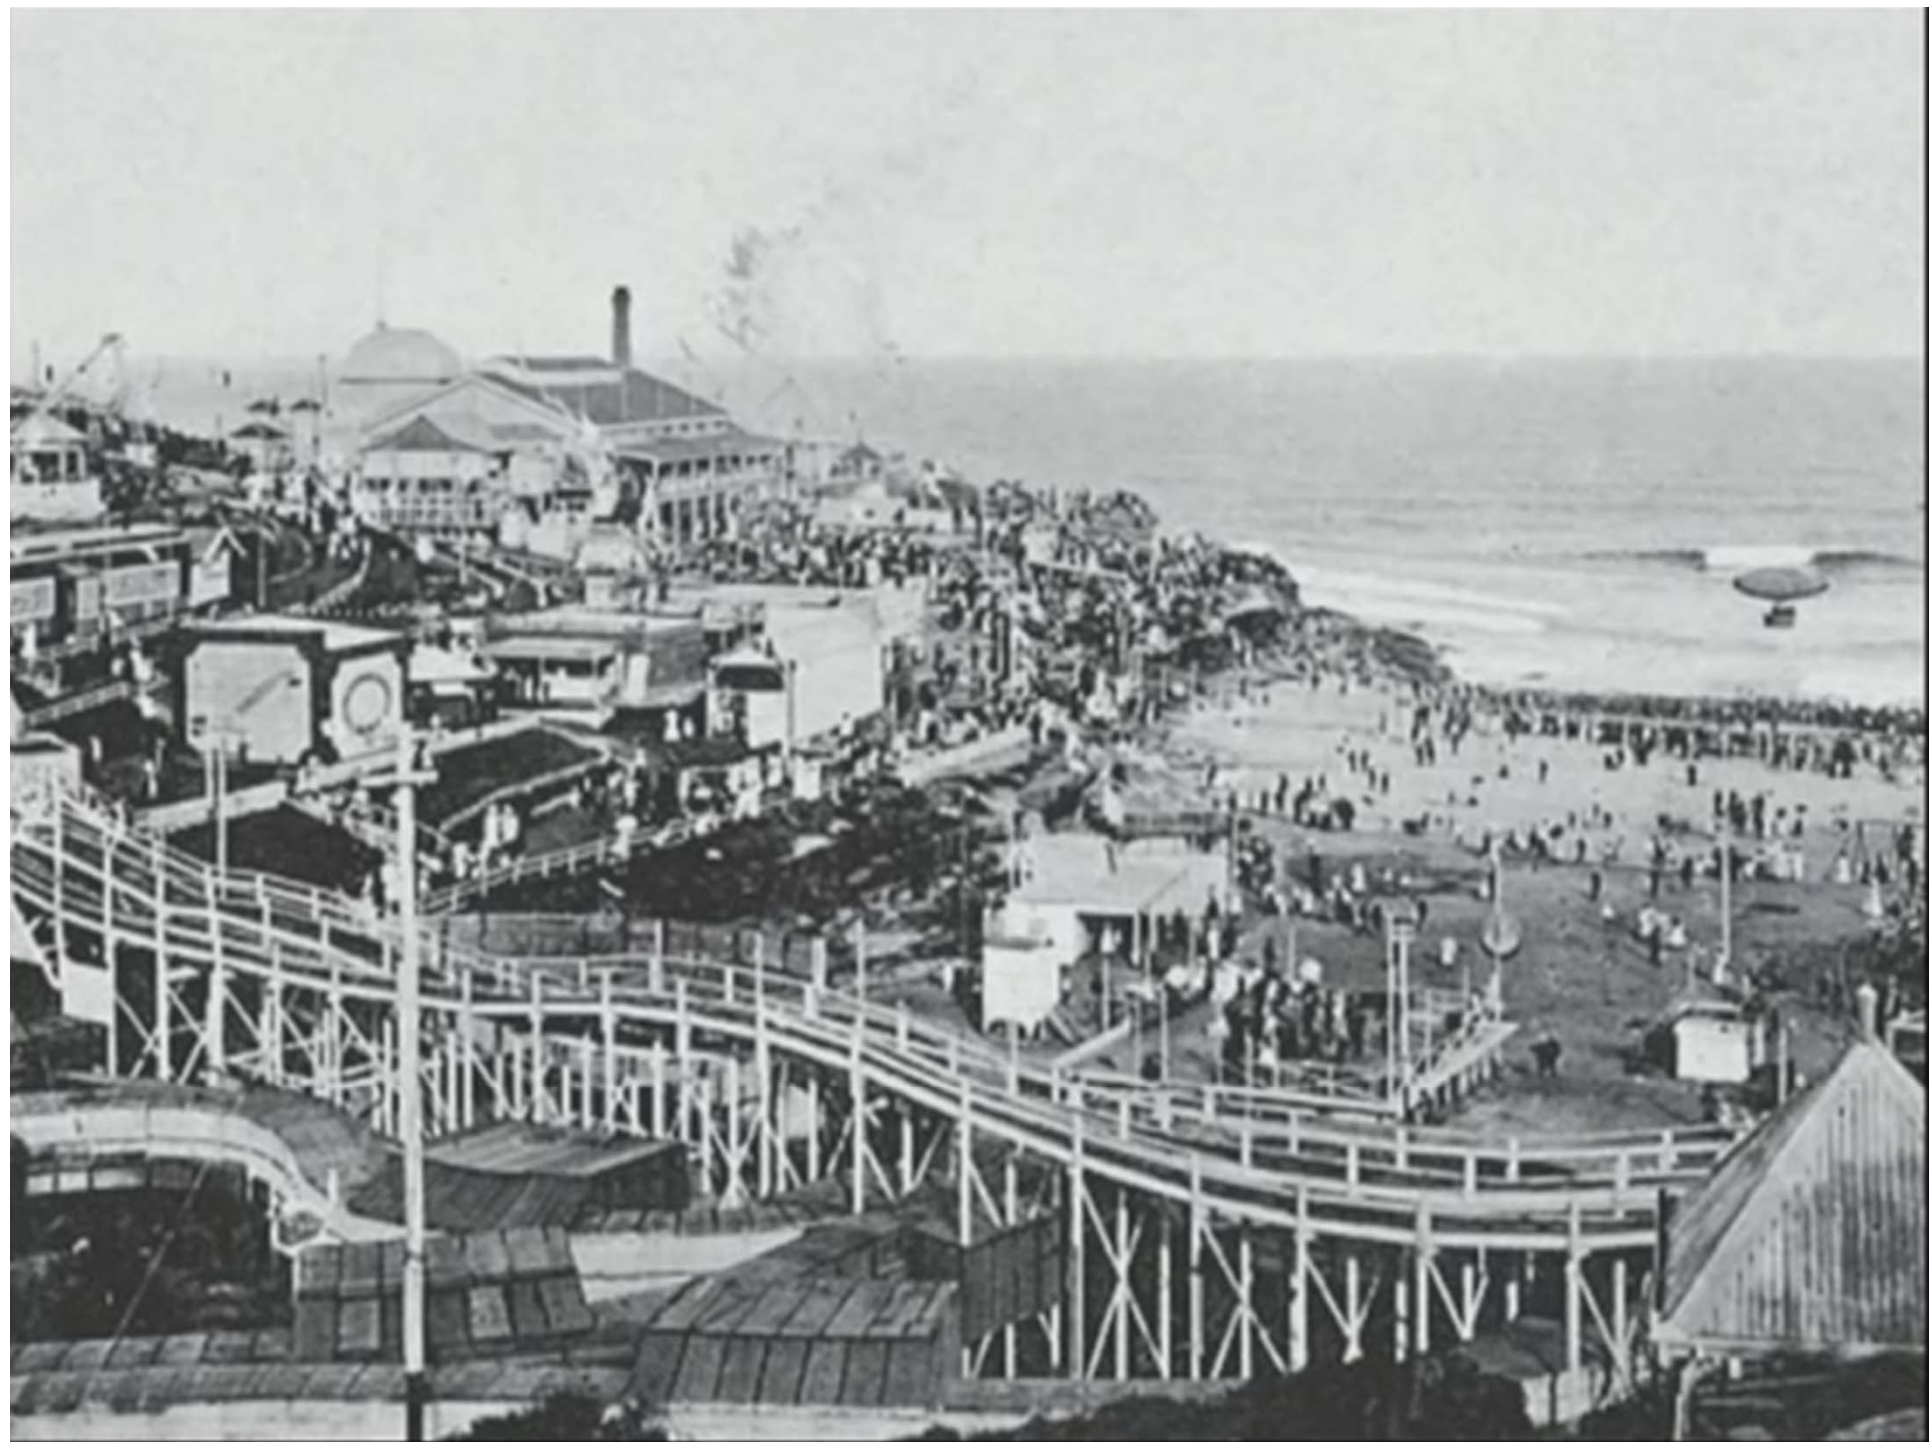

## Sydney Tramways, 1950

## From 1890s trams to 2010s buses

## More than 100 years of

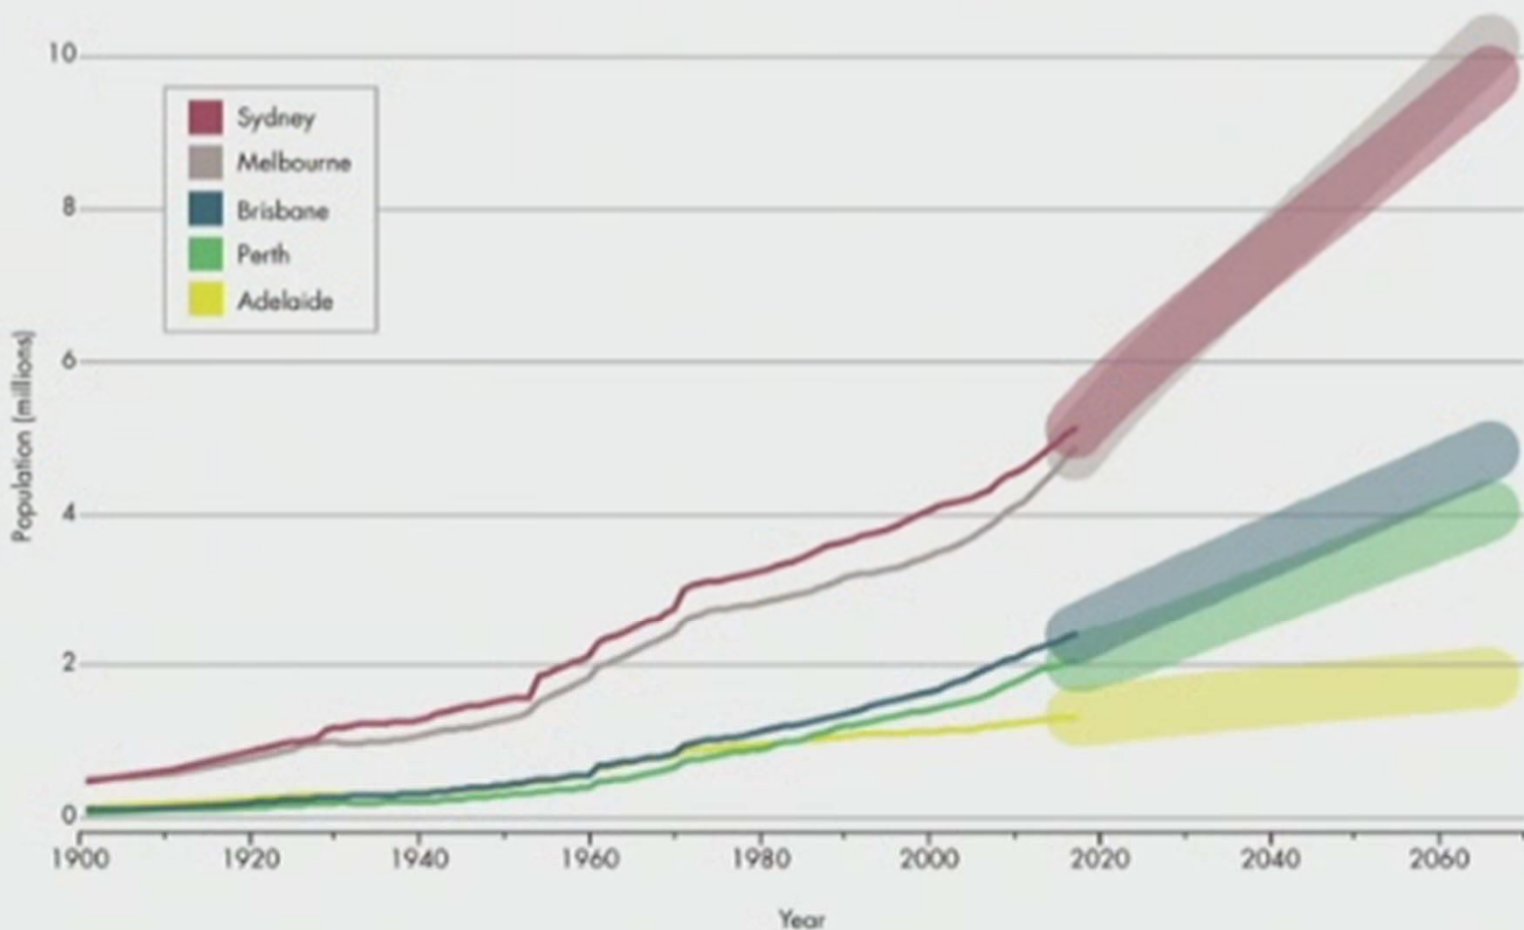

More than 100 years of

## Our suburban cities are urbanising

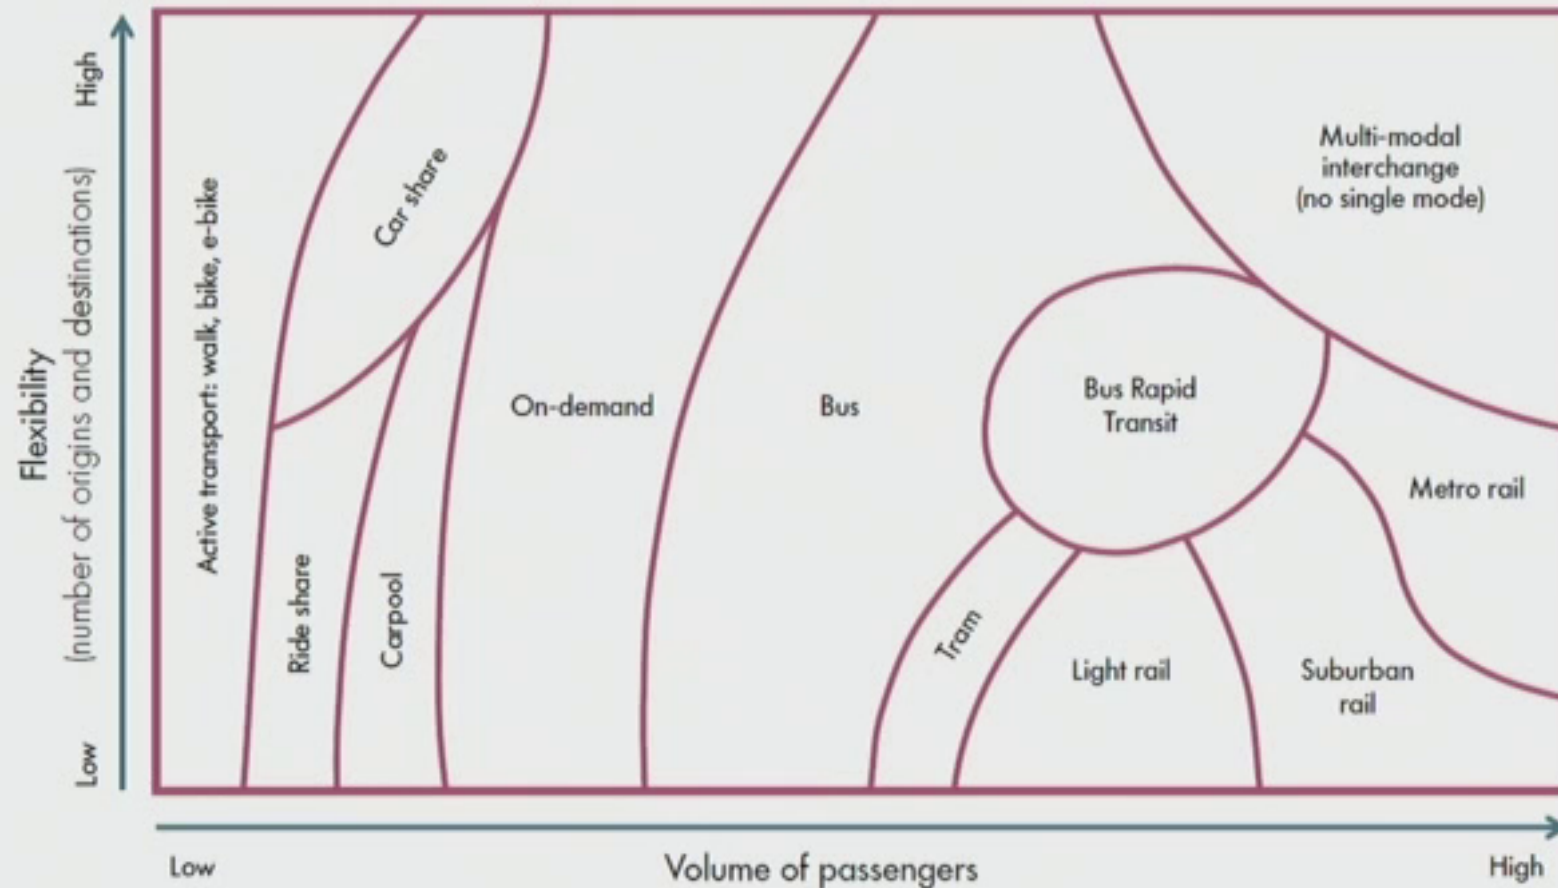

The pace of change is increasing

## All modes are unequal

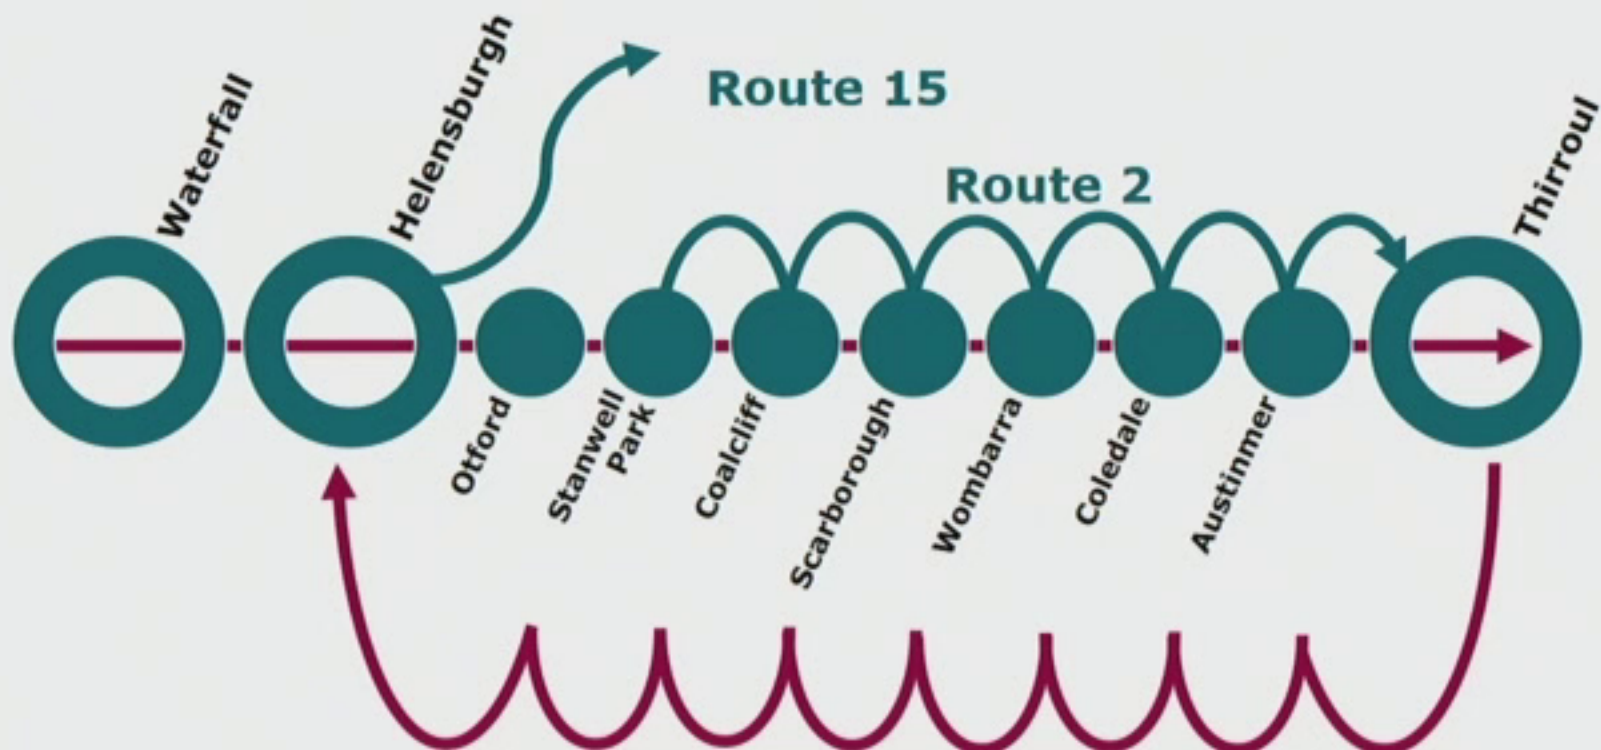

## Outer urban areas have significantly less access to public transport

## Integrating modes is critical

## Enhancements should prioritise user preferences
