BUS AUCTION AT IVECO'S BIG ARVO OUT

The BIC welcomes back our long serving Auctioneer and Fleet Valuer Tony Hyman, from THA Nation Wide

Iveco will transport delegates and the Auction Bus to a private island for the traditional end of conference get together and bus auction at the Big Arvo Out, where the National Award winners will also be announced.

The afternoon mixes adventure and relaxation giving delegates the choice of extreme rides, sumptuous food and ultra fun beach activities. Take a ride on a helicopter, jetski, ski boat or dig your toes into the warm sand and soak up some rays. Four hours of island

adventure, beachside cabanas and a rolling buffet feast is a perfect way to draw to a close the Australasia Bus & Coach Conference and Expo.

And the most important aspect of the afternoon island adventure is the funds raised at the Bus Auction. Iveco have partnered with Express Coach Builders to bring the 2014 School Bus. The funds raised at the Bus Auction over the past 8 years has significantly contributed to running various national campaigns and activities that have direct impact on

the sustainability of the Bus and Coach industry. So please bring your sunscreen and your generosity to make a bid for the bus or other auction items.

If you are the highest bidder for the Iveco / Express Coach Builders School Bus, Iveco will ensure your new bus is delivered direct to your door.

Bids are most welcome by phone or email by contacting Steve Heanes on +61 0 418 780 246 or steve.heanes@iveco.com.au.
